Dear Parent/Carer

Re: Chief Executive's welcome to Dudley Academies Trust

I am delighted that your child has been offered a place at one of our secondary academies in September 2022. It is my pleasure to inform you that your child will be gifted a blazer and tie as a way of welcoming them into our Trust. You will receive information about how to obtain these items of uniform in the coming weeks.

I would like to take this opportunity to share some information about Dudley Academies Trust and the exciting work that we are doing to provide the very best education for all of our learners. The vision for our Trust is that our family of schools will be the first choice for young people and parents/carers. Since the Trust became fully operational in September 2018, we have:

- Achieved three successive years of improved GCSE results in all four of our secondary academies.
- Experienced positive Ofsted inspections of all academies - please read these reports.
- Recruited many outstanding leaders, teachers and support staff who all have the ability to inspire our learners.
- Introduced new teaching methods that inspire our learners and encourage them to 'Dream big'.
- Further developed our highly effective behaviour policy called Values Driven Expectations which has been truly transformational. This means that we have the highest standards and expectations enabling our young people to flourish in their lessons.
- Invested over £10 million in school buildings, with more big plans for the future.
- Acquired over 2,000 PCs and laptops.

I am confident that all of our academies will continue to improve at pace and it is our ambition that all schools should be outstanding. I believe that your child will find every opportunity to thrive with us and to develop as a well-rounded and confident young person. We want your child to 'Dream big' and to know that many positive life choices are within their reach. Working with you, we will do everything in our power to make that a reality.

May I wish your child every success and an enjoyable experience during their school years. I look forward to meeting you in the near future.

Yours faithfully

Jo Higgins
