

15<sup>th</sup> December 2020

Dear Parents/Carers,

### ***Hospitality and Catering***

As we are trying to get back to some degree of normality following the COVID-19 Pandemic, it is essential that we once again begin to complete the practical requirements for the Hospitality and Catering course at Beacon Hill Academy. After half term, we will resume practical lessons for our Key Stage 4 learners. We have assigned a practical classroom for each year so that learners are contained within their bubble.

We are keeping ourselves fully up to date and we will be complying with all the government legislation and guidelines during our practical lessons. We will do this in the most practicable and sympathetic way possible to both mitigate/minimise the risk and to make the lessons as comfortable and enjoyable as possible for our learners.

We will require all parents and carers to provide ingredients for their child on the day of the practical lesson. As with all previous lessons, learners will get a week's notice. Normally, we would provide aprons for learners at a cost of 5p - due to certain circumstances, this is no longer viable. Therefore, learners will need to bring in their own.

Thank you for your support.

Yours Sincerely,  
**Miss S Lloyd / Mrs F Box**
