Dear Parent/Carer

Re: Academic Reports and Parent's Evening dates

I hope you and your family are well and keeping safe in these uncertain times.

I am writing to provide you with information regarding the dates that your child's first academic report of this academic year will be published.

Given the closure of some bubbles within school and the adjustment to the assessment schedule as a consequence of this, dates for publishing academic reports have been delayed slightly to ensure that all learners have the opportunity to participate in the assessment cycle and thereby receive reports which are an accurate reflection of their current attainment and progress.

Reports for Year 11 learners, including the results generated from the mock examination sessions taking place on W/C 30th November and W/C 7th December will be on **Wednesday 20th January**. For all other years (Year 7 to 10) reports will be generated and sent out to parents/carers on **Wednesday 27th January**.

In addition to this, we would also like to inform you that we have altered the dates for the **Year 8, 9 and 10 Parent's evenings**. Parent's evenings will be run remotely via telephone across two dates to enable Core and Non-Core academic conversations to take place about your child's progress despite the challenging circumstances we find ourselves in.

Please see below the amended dates:

- **Year 8** – January 14th (Core subjects) and January 21st (Non-Core subjects)
- **Year 9** – February 4th (Core subjects) and February 11th (Non-Core subjects)
- **Year 10** – March 18th (Core subjects) and March 25th (Non-Core subjects)

Thank you in advance for your understanding and cooperation and we look forward to speaking with you soon.

Yours faithfully
