Dear Parents/Carers,

RE: Temporary Remote Learning Changes

Due to some recent technical issues with Microsoft Teams which we are working to resolve, we are currently unable to effectively set work for any learners who are absent from school, either due to illness or self-isolation.

As part of our commitment to providing remote learning, we have set up an area on our academy website where this work can be accessed for the time being. This can be found here: [Remote Learning Work](#)

Learners in Year 8-11 will recognise this area from the first few weeks of the initial lockdown, but learners in Year 7 may not. All you need to do is select your year group from the tiles and then download the appropriate subject file from the list and complete the work as instructed within that file.

If you require any support with this, please contact helpline@beaconhillacademy.org.uk and we will be happy to help

If we are able to resolve the issue with Microsoft Teams, I will be sure to update you.

Yours faithfully,

Mr A Walker

Vice Principal - Teaching & Learning
