

BEACON HILL ACADEMY

COVID-19 Testing Schedule

Date: 27/08/21

Lead(s): Mr A Lynch, Assistant Principal

For learners' first test, they should arrive on the school site approximately 20 minutes before their test. They should enter the academy site via the main school entrance and follow the directions of staff/signage. Once learners have had their first test, they will be required to leave the school site. As they are not staying on site, learners do not need to wear school uniform.

For any learners who we do not have consent for testing, we will call home to gain clarification from the parent/carer. This will ensure we are adhering to Government guidance in recommending that all learners take a test prior to returning to school.

Year 11 learners will be in their new form groups (right) from September 2021. For simplicity, we have listed learners old Year 10 forms for their first test as they may not be aware of their new forms. We will send a Weduc message to all Year 11 parents/carers on 6th September 2021 reminding them of their new form groups, ready for their first day.
