

15/10/21

Dear Parents/Carers,

Re: Free School Meals Update – October 2021 Half Term Vouchers

Firstly, I hope you and your families remain safe. I am pleased to inform you that free school meals vouchers will once again be funded throughout the October half term holiday. Vouchers for those children who are in receipt of free school meals will be sent to you using the Wonde system. You will receive the link for these vouchers as a text message and/or email.

We send the vouchers to the priority number one mobile telephone number we have stored on our system for your child. **If you have changed your mobile telephone number recently, please can you contact us before Wednesday 20th October 2021 to enable us to process these vouchers for the correct number. We will be unable to process any free school meals vouchers for the holidays after Friday 22nd October 2021.**

You will receive a £15 voucher for each child on roll at Beacon Hill Academy who is currently receiving free school meals. If you have children at a different school, their school will process their vouchers separately. If you think your child is eligible for free school meals, but you have not yet applied, then please apply through the following link:

http://www.telford.gov.uk/info/20028/school_meals/9/free_school_meals

We are only able to process vouchers for learners who have been accepted for free school meals by the Telford and Wrekin free school meal system. This only has to be done once during their time at Beacon Hill Academy.

Please note: there sometimes can be a delay between you requesting the voucher on your phone and them being delivered. Please allow up to one working day for the voucher to be delivered to your mobile phone. Once the voucher is activated it appears as 'redeemed' on our system and we are unable to make any changes to the voucher and are unable to offer any support.

Once again thank you for your continued support and I sincerely hope that you have a lovely half term.

Yours faithfully,
Mrs H Shingler
Assistant Principal
