Dear learners and parents/carers,

Re: Trip to Kenya 2023 - Cancelled

I am writing to you today with some sad news. Unfortunately, due to lower than expected interest and the current climate (COVID-19), we have had to take the difficult decision to cancel the trip to Kenya in 2023.

This is a decision we have not taken lightly as we understand the disappointment this will cause – unfortunately, due to these circumstances, we were left with no choice.

If you have already paid a deposit to Camps International, this will be refunded by the company directly in due course. If you do not receive your refund within 14 days, please contact Sophie at Camps International.

We will, however, be looking to run other trips and opportunities in future (COVID-19 depending) and look forward to sharing information about this with you in due course. Those learners who had paid deposits to take part in the Kenya expedition will receive priority on these new trips, should they wish to go.

We thank everyone who expressed an interest in this trip and hope to see you on future trips and opportunities.

Should you have any queries regarding any of this, please do not hesitate to contact me.

Yours sincerely,

Miss L Williams
