Dear Parents/Carers,

Re: Phonics and Literacy intervention

Happy New Year! I hope that you and your family have had an enjoyable break.

You may recall from before the Christmas holidays, we conducted a phonics screening process for a number of our learners in year 7 and 8 to help identify learners that may benefit from additional support in this area. Following this process, it has been identified that your child would benefit from receiving extra phonics and literacy support in school.

Your child will receive 2 hours of support within curriculum time (times of the intervention will alter so that the same lessons are not repeatedly missed). These sessions will include:

- **1 x hour Phonics Fresh Start**
- **1 x hour Lexia Core 5**

Both interventions are to support the development of your child's reading.

To find out more about the interventions in school and how to further support your child in these areas at home, we are running an **Intervention Information Parents Evening** on **Tuesday 11th January** and **Thursday 13th January** at **18:00** and would welcome your attendance to **one** of these evenings.

Please use the following link to confirm which day you would like to attend: <https://forms.office.com/r/BujRwJZg7S>

We continue to look forward to working with you throughout the year, your support is truly valued.

Yours faithfully,

Mr T Clarkson
Assistant Principal

Yours Faithfully,
