

18/01/22

Dear Parents/Carers,

**Re: Positive Coronavirus Test**

I am writing to inform you that, on Monday 17<sup>th</sup> January 2022, I tested positive for Coronavirus and I am consequently self-isolating in line with public health guidance.

As Principal, I have chosen to waive my right to anonymity and make staff, learners, parents/carers aware of this and the reason for my current absence from school.

In my absence Ms N Lord, Vice Principal will be deputising for me, supported by our highly effective Senior Leadership Team. I will continue to be available from home and support remotely during my self-isolation period.

I look forward to returning to the academy as soon as my isolation period ends and would strongly encourage you to ensure that your child is undertaking twice weekly lateral flow testing to ensure that any asymptomatic cases of Coronavirus are detected.

Thank you for your ongoing support.

Yours faithfully,

**Mr S Dhami**  
Principal
