Dear Parents/Carers,

Re: Changes after half term

We would like to thank you for your support over the last half term, with maintaining our high standards of punctuality and uniform over the past 7 weeks in particular. We would also like to take this opportunity to wish you a happy and safe half term break. We are looking forward to seeing many of our Year 11 learners taking part in additional masterclasses over this period.

As of Monday 28th February 2022, we are reverting to our pre-COVID PE arrangements. As such, it is important to note that learners will need to attend the academy every day in their **full uniform** with their **PE kits brought with them to change into** for their PE lessons and extracurricular activities. Learners will return to using the academy changing rooms to change for these PE lessons and activities during lesson time or after school. Please remind your child that hoodies are not part of either their school uniform or PE kit and are not permitted anywhere on the academy site.

In order to continue to uphold our core values, next half term we will be focusing on how learners conduct themselves in and around the academy, ensuring that they uphold our Trust value of 'Respecting other and our world', through their communication with their peers and adults. This will be also fed into our 'Rewarding effort' value as learners who are able to display this in a positive way will continue to be rewarded through our merits and various other rewards initiatives. Learners will have the opportunity to share their thoughts on this through assemblies, tutor time sessions and through our Personal Development Programme.

We are increasingly aware of the speculation around what the Government will announce in the coming weeks regarding updated COVID restrictions and the potential removal of all restrictions and requirements. Please be assured that Beacon Hill Academy and Dudley Academies Trust will keep up to date with any announcements that are made and act accordingly based on the information shared. As we have done throughout the entire pandemic, we intend to take a cautious approach to any guidance shared to ensure the continued safety of our learners, staff and community.

Once again, thank you for your support this half term. We wish you all a safe and restful half term.

Yours faithfully,

Mr S Dhami
Principal
