Dear Parent/Guardian,

I am writing to yourselves as I'm the person responsible for Policing in the area where your child goes to school.

As the local Police we have regular contact with local businesses and residents. I have recently been made aware of several incidents where school aged children have been involved in a number of disturbances in Dudley Town Centre.

A number of children from Beacon Hill Academy have been either travelling through or hanging around Dudley Town Centre and have been victims of crime.

A number of these matters have been reported to the Police.

As the local schools officer I will not stand for this disorderly behaviour, local residents are concerned and businesses are being terrorised by groups of children that feel that it's okay to act in this way.

Often behaviour of this sort can be seen as a joke but to the victim that is on the receiving end it is anything but.

Parents/guardians please can I ask that you speak to your children regarding where they are going or hanging about. Dudley Police are doing everything they can to ensure that the offenders are identified. When this is done we will look at taking appropriate action.

Thanks
