

09/06/2022

Dear Parent/Carers,

**RE: Theme Park in a day – University of Wolverhampton**

As part of our Careers strategy, we are delighted to inform you we have secured places at Wolverhampton University for their 'Festival in a day' event on the 16th of June, and your child has been selected to attend. The event will be linked to DT, Engineering, English and Business.

This day will give students an opportunity to understand marketing, law, graphic design, tourism and hospitality and journalism in order to create their own theme park. Activities include; designing a business plan, designing the layout of their theme park, branding an ice slushy drink and being interviewed on TV and radio.

Learners will be taken by coach and Beacon Hill Academy Staff will remain with learners at all times during the session. Learners will be expected to arrive at the academy for 08.35 and will need to meet staff in the reception area at 08.50. We will be leaving the event at 14.30 to arrive back at school at approximately 15.00. Learners must wear full school uniform for this visit.

Lunch will be provided but students may bring additional drinks and snacks if required.

Please complete the medical form which can be found in the 'forms' section. Learners with Asthma will need to have their inhaler with them otherwise they will not be allowed on the trip.

If you have any questions then please do not hesitate to get in touch with us at [sp Perkins@beaconhillacademy.org.uk](mailto:sp Perkins@beaconhillacademy.org.uk).

Yours faithfully,

**SPerkins**  
**Teacher of Business and Computing**  
**Aspire to HE lead**
