Dear Parents/Carers,

Re: Campus Experience Day – University of Wolverhampton

As part of our Careers strategy, we are delighted to inform you that there are 30 places available for your child to take part in a trip to the University of Wolverhampton on Wednesday 29th June, 2022. **Places will be given on a first come first served basis.** This will take place during the school day between the hours of 09:00 and 14:45. The purpose of this trip is to raise aspirations and give a valuable insight into what university life might be like.

Learners will be taken by coach and Beacon Hill Academy Staff will remain with learners at all times during the session. Learners will be expected to arrive at school at 08:35 and will need to meet staff in the reception area at 8.50am. We will be leaving the event at 14:45 to arrive back at school at approximately 15:00. There will be no cost to yourselves as transport and lunch will be provided, but snacks and drinks may be required. Please ensure students wear full, correct uniform for this trip.

The day will consist of:

- Welcome Talk
- Introduction to Higher Education
- Campus tour and activity
- Lunch
- Making Informed Decisions
- Social Opportunities

This experience will provide an advantage to students when seeking college or university places and will play a big part in helping them to make informed choices about their futures.

Please complete the attached medical forms by Wednesday 22nd of June if you would like your son/daughter to be considered for this experience. Learners with Asthma will need to have their inhaler with them otherwise they will not be allowed on the trip.

If you have any questions then please do not hesitate to get in touch with us at sperkins@beaconhillacademy.org.uk.

Yours faithfully,
