

Dear Parents/Carers,

### **Free school meals update – July 2022 – Summer Holiday Vouchers**

I am pleased to inform you that free school meals vouchers will once again be funded throughout the school summer holidays. Vouchers for those children who are in receipt of free school meals will be sent to you using the WANDE system, which you should receive as a text message on your mobile phone.

We send the vouchers to you using your mobile telephone number we have stored on our system as the priority contact. If you have changed your mobile telephone number recently please can you contact us before **Friday 15<sup>th</sup> July 2022** to enable us to process these vouchers for the correct number. We will be unable to process any free school meals vouchers for the holidays after 15th July 2022.

This year, you will receive a one off voucher of £75 pounds rather than individual £15 vouchers per week for each child on role at Beacon Hill Academy who is currently receiving free school meals. If you have children at a different school, their school will process their vouchers separately. This voucher will be sent to you by **Thursday 21<sup>st</sup> July 2022**.

Please note: sometimes there can be a delay between you requesting the voucher on your phone and it being delivered. Please allow up to one working day for the voucher to be delivered to your phone. Once the voucher is activated it appears as 'redeemed' on our system and we are unable to make any changes to the voucher.

We are only allowed to process vouchers for learners who have been accepted for free school meals by the Telford and Wrekin free school meal system (further details can be found on our website under parents: free school meals).

Once again thank you for your continued support and I sincerely hope that you all have a restful and happy summer. We look forward to all our learners returning in the Autumn term.

Yours sincerely,

Mrs H Shingler  
Assistant Principal
