Dear Parents/Carers,

**Re: Uniform Expectations (Footwear)**

Following on from our recent communication regarding uniform expectations, we are aware that certain shops are advertising footwear as “shoes” that are not in line with our uniform policy.

To help you with your footwear purchases, we have included some further images of footwear that would and would not be deemed acceptable at Beacon Hill Academy. All information can be found via our [Parent/Carer guide](#).

Stringent uniform checks will take place on the first day of term to ensure that all learners are wearing appropriate footwear.

If you have any queries, please contact the academy via [helpline@beaconhillacademy.org.uk](mailto:helpline@beaconhillacademy.org.uk)

Yours faithfully,  
  
**Mr S Dhami**  
Principal
