

Dear Parent/Carer,

Re: International Trips 2024-2025

We are excited to announce the launch of our international trips for the academic years 2024 and 2025, which are only available for our current Year 8, 9 and 10 learners.

Why? School trips encourage learners to enhance their cultural awareness and understanding of beliefs, values and perceptions. Learners build their independence, confidence, self-esteem and effective coping skills. Learners also embrace our core value of 'Respecting each other and our world'.
