Dear Parent/ Carer,

Re: Ofsted Inspection at Beacon Hill Academy 8th and 9th May 2024

I am pleased to share with you the attached Ofsted inspection report following our recent inspection on 8th and 9th May 2024, under section 5 of the Education Act 2005 (as amended).

Beacon Hill Academy received a 'good' rating in all areas. The report praises the school for being a place "where everyone goes the extra mile for their pupils".

The report further highlights the school's increasingly ambitious curriculum which is taught with high levels of consistency. It recognises the respectful culture of the school which is reflected in the positive relationships between staff and pupils. Ofsted also commended the school's effective provision for pupils with special educational needs and/or disabilities who are supported by a dedicated and highly knowledgeable team. The report recognises the impact of the school being part of Dudley Academies Trust, which has provided "effective support and challenge" to the school. Inspectors commented that pupils are attentive and supportive of each other and are polite and courteous.

I am delighted with the outcome of our Ofsted inspection, which reflects the hard work and dedication of our staff, pupils, parents, and governors. I am very proud of our school community and the positive culture we have created together. I am grateful for the support and guidance we have received from Dudley Academies Trust, which has helped us to improve the quality of education we provide. I am determined to continue our journey of excellence and ensure that every pupil achieves their full potential.

As per Ofsted guidance, the academy will distribute the report to all parents and carers of registered learners within five working days from the date the report was received. Ofsted usually publish the report within eight working days. The date of receipt of the report was 3rd June and we therefore expect the report to be published by Ofsted on 13th June 2024. The report is also available on our school website under About us > Statutory Information > Ofsted Report.

I would like to take this opportunity to thank you for your continued support. I am sure you will join me in congratulating all the learners, staff and stakeholders of Beacon Hill Academy on this incredible achievement.

Yours faithfully,

S. Dhami
