

10th September 2024

Dear Parents/Carers,

Year 11 Parents Evening - Progress and Achievement 1:1 Sessions

I hope you and your families are keeping well. Firstly, I'd like to commend and express my appreciation for the exceptional way in which our Year 11 learners have embarked upon this academic year. Their heightened levels of maturity and determination are truly encouraging.

At Beacon Hill, we are dedicated to collaborating with parents/carers to ensure that each child achieves their best results as they approach their final year. In line with this commitment, we would like to invite you to a one-on-one parents' meeting with a member of the Senior Leadership Team. This meeting will provide an opportunity for us to discuss your child's progress and Mock exam results. We will also share details about the support we can offer and provide valuable insights on how you can further support your child's academic journey at home.

Our aim is to discuss your child's progress and explore ways to tailor our support to meet the unique needs of individual learners. Additionally, we welcome any questions or requests for additional support that you may have for your child.

The meeting for your child has been distributed via a letter this week.
