“I absolutely loved this subject”

Evie (Leaver 2023)

“I enjoy the challenge of studying History and am excited to study it further at A Level.”

Fraser (Leaver 2024)

Subject Overview

People who study history are fearless explorers of the past. They investigate past politics, societies, cultures, languages, health, art, education, money, conflicts. They are able to look at how things have developed over time and connect the dots to understand how we got to where we are today.
