“My favourite part of Hospitality and Catering is learning about what goes on behind the scenes in restaurants and hotels including making amazing food”

Jake, learner who studied Hospitality and Catering

Subject Overview

Studying Hospitality & Catering in year 10 and 11 will provide learners with the knowledge and skills required to form a clear pathway into employment and further studies. You will have the opportunity to learn about how the industry works, health and safety and nutrition.

You will take part in a task where you will plan and make your own menu by applying all of the skills gained in your lessons.
