

Wednesday 7th January 2026

Dear Parents/Carers,

Plans in the event of School Closure

Due to conflicting weather reports, we want to ensure you are fully informed about our plans should the school need to close at any point. This includes both before the school formally opens or during the course of the day (early closure). Please read the following scenarios carefully:

School Closure Before Opening

If the decision is made to close the school before the start of the day due to adverse weather conditions, learners will be directed to a **high-quality distance learning plan** prepared for them.

All work for every subject is linked to what learners are currently studying in lessons. Please click on the following link to access this work: [Distance Learning Guide](#)
You can also view a Vodcast to see how to access the work: [Distance Learning Vodcast](#)

Closure During the School Day

If the weather changes and we need to send learners home during the day, we will communicate this to all parents via:

- **MCAS**
- **School Website**
- **Social Media**

In the event that a learner cannot walk home due to childcare arrangements, we can keep them safely at school until you are able to collect them by the end of the school day. If you need us to do this, please email us at: helpline@beaconhillacademy.org.uk

Thank you for your understanding and cooperation as we work to keep all learners safe and to ensure high quality education.

Yours sincerely,

S. Dhami

Mr. Dhami
Principal
