Dear Parent/ Carer,

Re: Year 7 Transition Information

My name is Mr Mahey, Assistant Principal at Beacon Hill Academy and I am delighted that your child will be joining us in September. I would like to introduce myself as the Transition Lead and provide some key information relating to your child's next steps as they move from Year 6 into Year 7, formally known as Transition.

This is an exciting time for your child as they progress into the secondary stage of their education. Below is an overview of how we try to make the transition process as smooth as possible for all of our new learners:

- We request information about your child from their primary school so that we have an understanding of their abilities and their needs. If we can, we also visit your child's primary school to meet them.
- We provide a parent and carer guide alongside various other information which enables parents and carers to further understand our academy. Information includes expectations and requirements for uniform, our 'Values Driven Expectations' rewards and behaviour policy, free school meals and 'My Child at School' (MCAS), our parent and carer app.
- We invite your child to attend our Transition Days at the Academy.
- We invite all parents and carers to attend an evening at the Academy. This evening enables parents and carers to meet our staff, complete necessary paperwork, order items of uniform and ask questions.

Uniform

I am delighted to confirm that by way of welcoming our Year 7 learners to our Academy, Dudley Academies Trust gift learners with a free blazer and tie. Details of how to order and collect a blazer and tie for new Year 7 learners will be released in due course.

Please refer to the Parent/Carer Guide for information relating to the expectations and standards of uniform. This is available under the Parents & Carers > Uniform & Suppliers area of our website.

Learner Data Collection

We want to ensure that we obtain the most up to date information from our parents/carers regarding our new cohort of learners. We, therefore, ask that the following Microsoft Forms is completed by the primary parent/ carer for your child as soon as possible.
