

Dear Parents and Carers,

End of Term Letter: Celebrating Success and Looking Ahead

As we come to the end of another vibrant and purposeful term at Beacon Hill Academy, I would like to take this opportunity to reflect on the many achievements, experiences and moments of pride that have shaped the past few months. Our learners continue to impress us with their enthusiasm, resilience and commitment, and this term has been no exception. It has been a particularly strong term for sporting success.

We are incredibly proud of our Year 11 learners who approached their mock examinations with maturity and determination. Their hard work was recognised with a small celebratory last week and a celebration of their Mock exams in assembly this morning.

One of the standout experiences this term was our residential visit to Paris. Learners enjoyed a magical and unforgettable day at Disneyland Paris filled with rides, parades, souvenir shopping and a spectacular firework show. Their trip concluded with a final stop at the beautiful Sacré Coeur where they enjoyed panoramic views across the city. This opportunity created memories that learners will carry with them for years to come.

As we look ahead, I would also like to inform you that on our return after the break we will be implementing our new security scanners. This follows a full consultation and forms part of our ongoing commitment to keeping all learners safe within our academy environment. I would also like to ask all families to read the updated uniform guide that will be sent out.

We are also thrilled to invite all **Year 10 learners and their parents** to a hugely important **Parents Information Evening (PIE)** on **Thursday 16 April**. This will be an important event packed with vital updates, valuable resources and key guidance to support learners as they prepare for the crucial year ahead. It is essential that every Year 10 family attends because the information shared will make a real difference to your child's journey. To make the evening even more special, we have teamed up with the famous **PIE Factory** who will be serving their finest pies completely **FREE** of charge. This is an event not to be missed and we cannot wait to welcome you.

Our motto is to **Strive for Excellence** and we aim to embody this in every aspect of school life. This includes maintaining the highest standards of behaviour and uniform. I am immensely proud of how smart our learners look each day and we now need to ensure these expectations continue to rise so that our academy reflects the very best of our community at all times.

I would like to thank you for your continued support throughout this term. Your encouragement and partnership play a vital role in helping our learners thrive. I am incredibly proud of what has been achieved and look forward to welcoming everyone back after a well deserved break.

I wish you and your families a restful and enjoyable holiday.

Yours sincerely,
