Dear Parent/Carer

Re: ACTION REQUIRED – Parents to reapply for FSM

From September 2026, the rules for Free School Meals (FSM) are changing. To ensure your child can continue to receive Free School Meals if they are eligible, **all parents and carers must submit a new application**, regardless of their current FSM status.

If you do not reapply, your child will not be able to access Free School Meals from September.

The new scheme means that more families may qualify for support, including many families receiving Universal Credit. Eligibility will now be based on your current circumstances rather than any previous entitlement.

We strongly encourage **every family to apply**, even if you do not think you are eligible currently.

To reapply please visit <https://fsm.lgfl.net/app> or Scan this QR code

Simply enter the below web address in your browser https://fsm.lgfl.net/app	Or scan this QR Code with your smartphone camera.

Once your application is submitted:

- You will not need to reapply each year.
- Your eligibility will be checked automatically.
