

Can you design a Christmas Card?

One of the things that makes Christmas such a special time of year is the cards that we send to friends and family. To help people spread the festive cheer we would like to produce our very own Beacon Hill version. But we can't do this without your help!

Do you think you can design a Christmas card? If so, have a go and you could be one of our lucky winners who will see their design on the cards to be sold to friends and family.

We will donate all proceeds for each box sold to the **Black Country food bank appeal**. You'll be helping raise funds for an amazing cause!

You could also win a top prize!

Pencils and Pens at the ready! To enter, just draw an amazing design in the box on the other side of this page. Then fill in your details below and hand this form to your form tutor.

Name.....

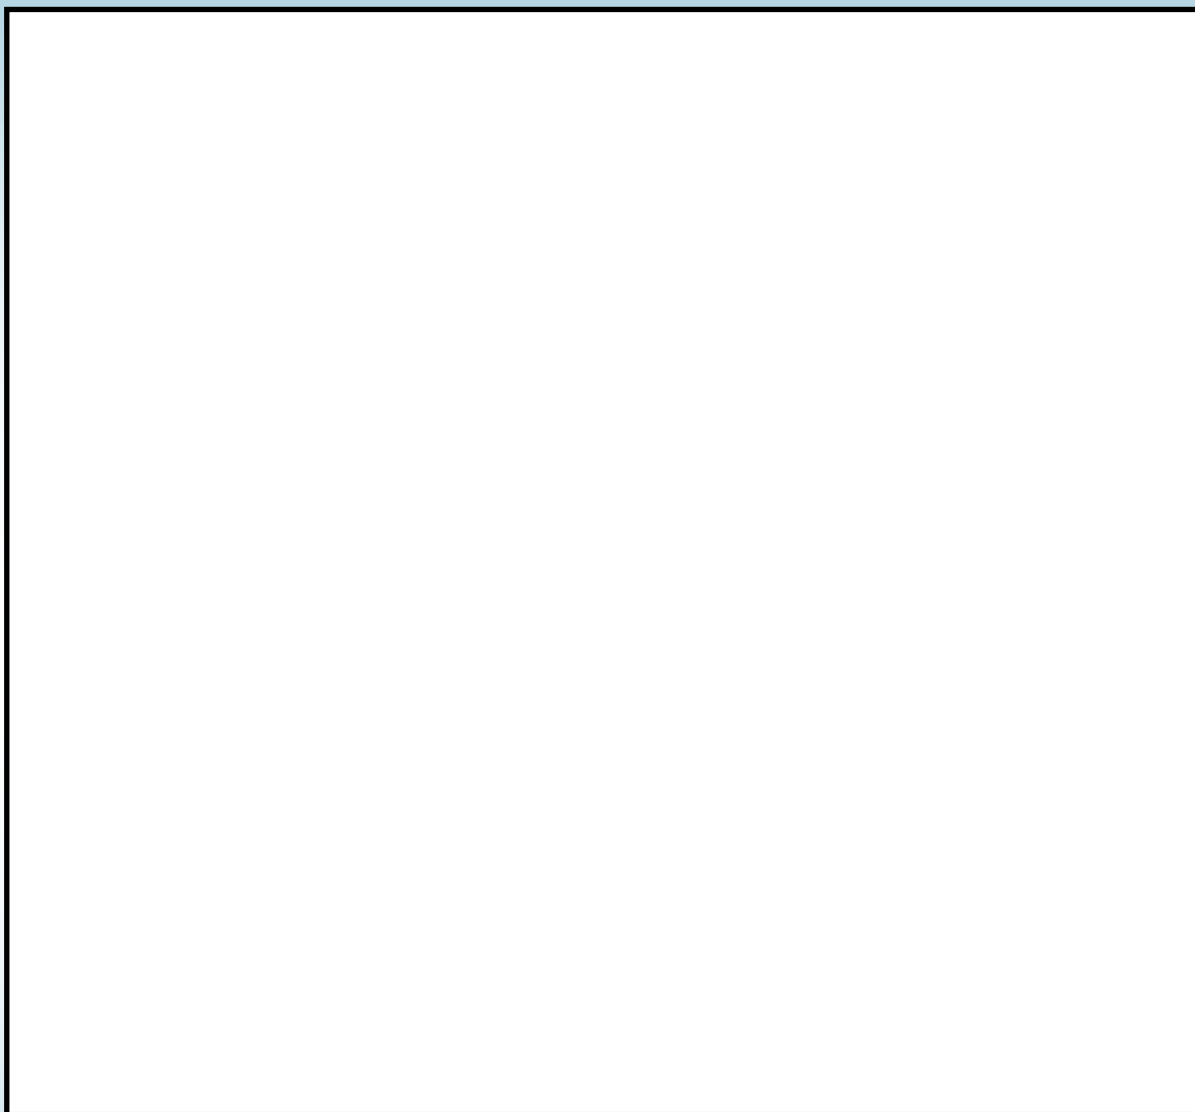

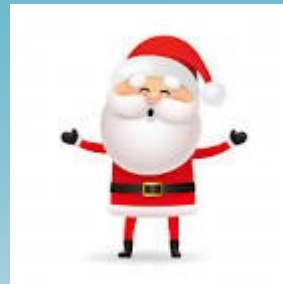

Form.....

What are you waiting for?

Grab your pens, pencils and paint and get creative.

Fill the box below with your design.

Don't forget

- Draw your design straight into the box
- Use all the space and give us lots of colour
- Think of what Christmas means to you and draw this
- Do you want to include a message on the card?
- Don't copy other drawings, do something new and different!
- Don't use stickers or glue anything to your design.
